In the cool clear waters of the Lynn of Lorne and its surrounding sea lochs, the finest shellfish in the world thrives. EE-USK has access to this fantastic produce. Our shellfish is exclusively local. Below we list the names of our fishermen and the area they fish.

Oysters are grown from seed by [Caledonian Oysters](#) on the shores of Loch Creran. Their Pacific oysters are graded according to weight. Ours are 75g minimum and at least 3 years old. They have a passion for their livestock and are rightly proud of their product.

Langoustines are caught by our master mariner [David Fraser AKA Toastie](#) from the waters and sea lochs surrounding Oban and the nearby islands. Thankfully, he works seven days a week in the summer, sometimes in dreadful weather.

Crabs & Lobsters are harvested around the rocky coastline of the island of Luing by [Neil MacQueen and his family](#) on a daily basis. Neil selects his finest examples for us and delivers them live to our kitchen.

Our native **Blue Mussels** are farmed in the beautiful waters of Loch Leven by [James MacLean](#). James has been supplying mussels to EE-USK for over 20 years.

Scallops are supplied by a variety of merchants who source their produce from the waters around the West Coast of Scotland.

White fish halibut, lemon sole, haddock, monkfish, hake and seabass are sourced through various agents who are as passionate as we are about provenance and quality.

Our award winning **Smoked Salmon** and **Smoked Trout** is supplied by the renowned [Inverawe Smokery](#). As a family, they have been smoking salmon for over 40 years.

Our **Scotch Beef** is supplied by [Alister Jackson](#), our local butcher. The Jackson family have been supplying Oban for over 85 years. Ali has been buying his beef exclusively from Whitehouse farm, Stirling, for over 20 years. We are sure they have passed the test of time.

Hot Smoked Salmon is supplied by the [Argyll Smokery](#). They have won numerous awards for their produce including the prestigious and coveted Great Taste gold award.
